Dear Sirs.

Several months ago I wrote you for quotation for disposing of my collection of coins. and I received a reply stating that your price was 25% this being I think too much. Therefore I have been undecided whether to issue a catalogue myself as Mr McCall did last summer. However if I decide to send you my coins say in two weeks from now. What time could you have sale. I expect to visit your City this summer and would like sale to take place while I am there. My collection is Canadian ^{condition} my silver is acknowledged to be the finest in Canada. Awaiting your reply
